Our Thanks

Thank you to our parents, for all the love and support you've shown us through the years. The love you've given us will forever be our guide.

We thank you for providing us with such great examples of what it takes to build a loving, strong, long-lasting marriage! We treasure your continuous love and support as we begin our life together. Without you, this day would not be possible, so we thank you!

Thank you to our family and friends for choosing to celebrate this day with us!

So many of you have come from near and far to be here and we can not adequately express how grateful we are!

Thank you for honoring us with your presence and love on this incredible day!

All Our Love,

Mary & John
